

Return to the MCE Option Office
 before the end of the term for
 credit.

AM/CE/ME 150abc - Graduate Engineering Seminar worksheet

MCE graduate students are required to attend a graduate seminar each week of each term, for at least 6 terms of the first three academic years of residence at Caltech.

Complete and submit this report before the end of each term for credit. At least four of the attended seminars each term should be from the MCE seminar series.

Student Name: _____

Term & Year

Year entered Caltech:

Advisor's name: _____

To the faculty of the Mechanical and Civil Engineering Department

I have satisfied the requirements of AM/CE/ME 150 by attending at least 9 seminars during this term. At least 4 of the 9 seminars were from MCE.

| | Date of Seminar | Seminar Series, if applicable (for example: MCE, GALCIT, GPS, MS) | Title | Speaker (last name first) |
|---|-----------------|----------------------------------------------------------------------|-------|------------------------------|
| 1 | | | | |
| 2 | | | | |
| 3 | | | | |
| 4 | | | | |
| 5 | | | | |
| 6 | | | | |
| 7 | | | | |
| 8 | | | | |
| 9 | | | | |
